

I am a faithful KLOVE 91.3FM in Idaho Falls, ID. I am deeply concerned with your proposal to replace this frequency with a LPFM station. I love my KLOVE station! Please don't take it away! My family is encouraged and instructed in the ways of the Lord every day while listening to this wonderful station. We would sorely miss it if it was replaced by local programming. Please reconsider this change. We are counting on you to protect our KLOVE station. Thank you and God bless you!
